Town finds new home for FCSS

The pros and cons of two new locations for Elk Point Family and Community Support Services (FCSS) were debated at Town Council's June 6 regular meeting. The FCSS Board had apparently named the lower floor of the nurses' residence at Elk Point Municipal Hospital as their first choice, but Council felt there were numerous drawbacks, including difficulty of access for the mobility challenged.

Council's own first choice was the Peter Fidler Centre, which is now owned by the Elks Lodge. FCSS staff had earlier visited the building and said it would be suitable as to location, accessibility and amount of space available. The Lodge has agreed to rent

the eastern portion of the top floor to the Town for a moderate sum, and will renovate it to suit the needs of FCSS at no cost to the Town.

Members of the FCSS Board toured both sites with Council representatives on Tuesday and decided on the latter location. FCSS Director Terri Ehlert said that after physically touring the two sites, the Board felt that the Peter Fidler Centre would be brighter and more accessible. "We want people to be able to come and visit us," she said, adding that she is pleased with the Board's and Council's agreement on the new site.

The appointment of Allan Frankiw to the FCSS Board was ratified by Council at the

Ag society may sell arena

Elk Point and District Agricultural Society's 1994 Annual General Meeting found its usual format of reports and election of officers altered somewhat, when the Arena Operating Committee came forth with a request that the Ag Society set up a committee to negotiate the sale of the A. G. Ross Arena and the adjacent tennis courts to the Operating Committee.

By purchasing the arena, the Operating Committee

would be "taking over the thing that costs the most money," according to Operating Committee Chairman Kevin Bjornstad. He said his committee is generally in favor of the move, and has approached the bank holding the arena mortgage in regards to the purchase.

Comments from the 50-plus members at the AGM ranged from "long overdue" to "this community needs every facility it has to be in operation"

to keep people coming into Elk Point.

The Society agreed to set up a negotiating team with three members from the Operating Committee, three from the Fairgrounds Committee and one from the Ag Society executive to work toward terms of sale for the facility. The team will hold their first meeting prior to June 30, and an August 31 deadline has been set to bring the results of the negotiations to a meeting at which members can vote on the sale.

The election of a 1994-95 Ag Society executive was deferred until a decision is made whether the sale will go through, as membership in the Society would likely change considerably in that case.

Earlier in the evening, those members present heard a variety of reports, from Shirley Harms on behalf of the Ag Society itself, from

Chamber needs help

Elk Point Chamber of Commerce still needs help if they are going to continue their longstanding tradition of hosting a pancake breakfast on Canada Day, July 1. A chairman for the Pancake Breakfast Committee has not been found, but the event still could go ahead provided sufficient workers are lined up to

take care of the event.

The breakfast is slated to be one of the most important items on Chamber's agenda when they hold their final meeting before the summer break at noon this Wednesday at the Hilltop.

All Chamber members are urged to come out and give their input.

Mill rate holds the line

The Town of Elk Point passed their 1994 Mill Rate on Monday night, after several delays due to fluctuating educational requisitions from the Provincial Government. Residential taxes will be based on exactly the same mill rate as last year, at 20.692 Mills, while Non-Residential taxes will decline a fraction from last year's figure of 25.150 Mills to 25.035 mills, a 0.45 percent reduction.

A breakdown of the 1994 mill rate is as follows:

Non-Residential Mill Rate

Charlene Baker on behalf of the Fairgrounds Committee and from Kevin Bjornstad on behalf of the Operating Committee.

A financial report was also forthcoming from Mrs. Harms on behalf of the Society, and showed that they had been unable to pay their mortgage payment at the end of May. One factor in this was the cancellation of the Megabucks Bingo due to lack of patrons, which lost only \$520 on the bingo itself before cancellation, but an additional \$9000 on the rentals of equipment and other expenses. The Society has received Gaming Commission approval for three more bingos but plan to study a variety of ways to attract a large number of patrons before undertaking them, Mrs. Harms said.

This spring's K.C. Jones dance was a big success, and a double bandstand dance featuring Moose Mountain and 52nd Street is planned for Canada Day, July 1.

Charlene Baker reported a very successful year for the Fairgrounds Committee, with riding and roping and barrel series well attended. The ceiling of the show arena has now

been insulated, with good results, and the facility has been used for 4-H, clinics, lessons and horse shows. The fairgrounds was also the site of a very successful rodeo this spring. The Fairgrounds Committee now has a raffle of 12 bred heifers underway, with the draw to take place in November. Membership is growing and functions are increasing at the site, she reported.

Kevin Bjornstad said the Arena Operating Committee has had a busy and productive year, with the brine headers

replaced last fall, replacement of concession booth appliances thanks to donations from arena user groups, completion of a set of new washrooms and the purchase of tables and chairs thanks to service club donors, a profitable raffle conducted, and sign rentals increased. The Operating Committee recently returned Bjornstad to his Chairman role at their Annual Meeting, and is currently setting up committees and planning another raffle, as they look forward to another busy season.

Teen dating: healthy and abusive relationships

A few weeks ago we talked about why dating violence happens and what you can do about it. This week, let's look at what your relationship is like:

1. Does your date put you down about how you look or behave, or do you put your date down?

2. Do you ever feel pressured by your date to do things that you find uncomfortable? Do you pressure your date to do things that your date finds uncomfortable?

Community Calendar

same meeting.

Town Council had earlier directed Administrator Curt Svendsen to look into the price of a new flag bearing the same fish and lake design as the Town pins. Svendsen reported that this would be a costly procedure, so the matter has been put on hold for the present.

Also on hold is the decision regarding colors of shingles, trim and wall color for the Town Office, which is slated to receive some exterior modifications, including a new roof over top of the existing

flat roof, within the next year or two.

Council heard a report from Superintendent of Public Works Ron Fraess regarding the cleanup of a quantity of some unknown substance resembling crude oil or a crude oil / diesel mixture which was found floating on the Town's sewage lagoon. The source of the substance, which was speedily removed with the assistance of local oil companies, has not been determined.

A new Business Licence By-law was given all three readings at the June 6 meeting. The bylaw replaces the previous Business Licence Bylaw and has a number of changes, including a clause exempting anyone on the Town's tax roll from needing a business licence.

Tidbits

The dictionary is the only place where you will find success before work.

It's easy to confuse the courage of one's convictions with the pigheadedness of one's prejudices.

When I despair, I remember that all through history the way of truth and love has always won. There have been tyrants and murderers, and for a time they can seem invincible. But in the end they always fall. Think of it. Always. Ghandi.

Tic Talk

Sherry Pelech
Tourist Information Clerk

Does anyone have general fishing information:
Are they biting?
Where are they biting?
What are they biting?
What are they biting on?
Why are they biting?
Why are they NOT biting?
We would be most grateful if you would share with us any bits of fishing wisdom. The TIC (Tourist Information Centre) regularly gets asked these questions and we would like to be able to supply updated information.

Please note that the Pioneer Museum will be closed for two weeks while Steve Andrishak takes a trip to Elk Point (South Dakota, that is).

A special note of thanks to Vern and Helen Benner for beautifying the TIC with all these colorful flowers. They add a bit of life to our otherwise drab corner. (And I personally am partial to pots of petunias).

TENNIS NEWS

Hi! Canadian Tennis Week is now over for another year, but did we ever have fun this year by playing fun tennis games and giving away many prizes.

Starting this week and continuing until school ends, I have divided after-school lessons into two categories: Mondays and Wednesdays are frequent player days, Tuesdays and Thursdays are beginner days and Fridays everyone can come out. During the summer, we will have a lot of fun all day long with everyone welcome to come out.

Just a reminder to all adults who want a few tennis lessons: I'll be at the court on Monday and Wednesday evenings from 7:00 to 8:30 p.m. Call Linda for more information at 724-3853.

New, old winners at District 4-H Show

There was a touch of the old and a touch of the new when it came to the big winners at the St. Paul District 4-H Inter-Club Show and Sale at the Polaris Arena June 6.

Denis Kotowich was named Grand Champion in this his last year of competition, while Irene Chamberland won the Reserve Championship in her first year with 4-H.

Both Kotowich and Chamberland are members of the St. Paul 4-H Multi-Club.

Kotowich said he was happy to end his competitive career with 4-H by winning his second consecutive Grand Championship.

"I can't complain," the 19-year-old Kotowich said with a laugh. "It's a good way to end it."

Kotowich has been spending the last two months getting his steer halter-broke. He's been busy the last little while scrubbing and cleaning his animal for the big show. And it paid off - in bucks. Kotowich's 1,275-pound steer fetched an impressive \$1.50 a pound. The steer was purchased by Cam McGavin on behalf of St. Paul Feed-Rite.

Though Chamberland may be new to 4-H, she's not new to steers.

"I've been working with them since I was born," the 14-year-old Chamberland said. "I grew up on a farm."

The experience showed, as her steer, Snowball, was named the Reserve Champion at the St. Paul 4-H District Inter-Club Sale.

Chamberland and her family selected the calf in March of '93 when he was born. She's helped raise it ever since at the Fontaine Caryl Farms.

She said the most difficult aspect of competition is show-

ing the steer.

"You want him to follow you and to do exactly what you want him to do," she explained.

It doesn't always work out that way.

At the St. Paul 4-H Club competition, June 4, Chamberland's debut in the showmanship competition turned out to be a real drag.

"It's not easy, sometimes it gets on your nerves," she said. "On Saturday, he was dragging me around the arena all day."

So it was back in the barn for a few lessons Sunday night.

"We tuned him in," she said with a laugh. "We walked him around until he understood."

Chamberland received \$1.22 a pound for the 1,240-pound Snowball at the auction. The steer was purchased by Al Poirier on behalf of NRS Poirier Real Estate.

When asked by an overly-sentimental reporter if it is difficult to part with an animal after raising it, she replied: "I tried not to get attached because I knew that it would be sold ... it's just like farming."

Winners at the St. Paul District 4-H Inter-Club Sale, Polaris Arena, June 6:

Grand Champion: Denis Kotowich, trophy donated by St. Paul Municipal Seed Cleaning Association

Looking back to Seniors' Week

A number of activities marked Seniors Week in Elk Point, starting off with an art and craft show at Heritage Lodge on Sunday afternoon, and going right through to the water balloon toss at the Hospital on Friday afternoon. Here are some of the highlights of an eventful week.

A number of local artists and crafters joined the talented residents of Heritage Lodge in putting on a display of their work in honor of Seniors Week. Terry Hebblethwaite, with pen and ink artistry and paintings, Darlene Sereda with great attention to detail in her cross-stitchery, Sharon Kuhn and Carol Hellquist with paintings in varying media, Helen Havener with pencil drawing and paintings on rock and saw blades, and Dave Fontaine, a Bonnyville woodworker, exhibited their work for the delighted residents and guests. Crafts by the residents included crochet and plastic canvas work by Mary Moorehead, needlepoint by Frank Johnson, crochet by Florence MacDonell and Ethel

Boothman, handknit socks by Harry Phillip, knitting, crochet, liquid embroidery and an antique photo framed in a clock by Marion Smith, and embroidery on handmade, 100-year-old linen, displayed by Martha Meger.

Tours of the Lodge and refreshments were also enjoyed by visitors.

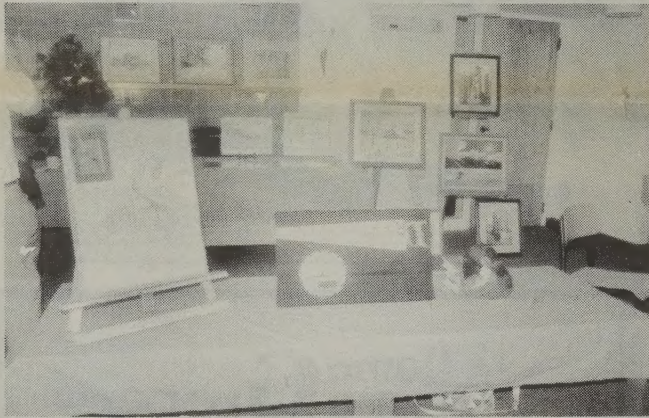

A community worship service was the other Sunday event. Following an opening prayer by Pastor Jim MacLellan, Deputy Mayor Vern King proclaimed June 5 to 11 as Seniors Week in Elk Point, adding his wish that "the week give you many precious moments." Marlene and Mel Ryks led the congregation in a number of sacred songs throughout the evening.

Gaby Bayduza, with a piano solo, and various combinations of Franklin Wolters, vocal and harmonica, Rick Peters, guitar, John Bennett, piano, and Henry Botting, guitar and vocal, added more music to the evening.

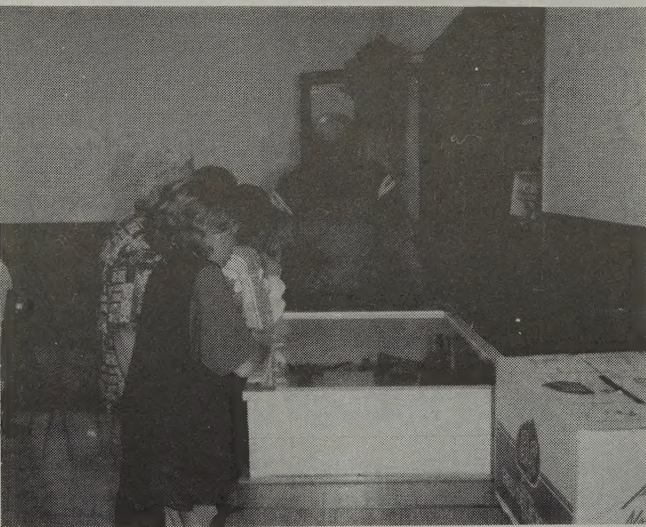

Mrs. Desjarlais offered a thought provoking Bible reading.

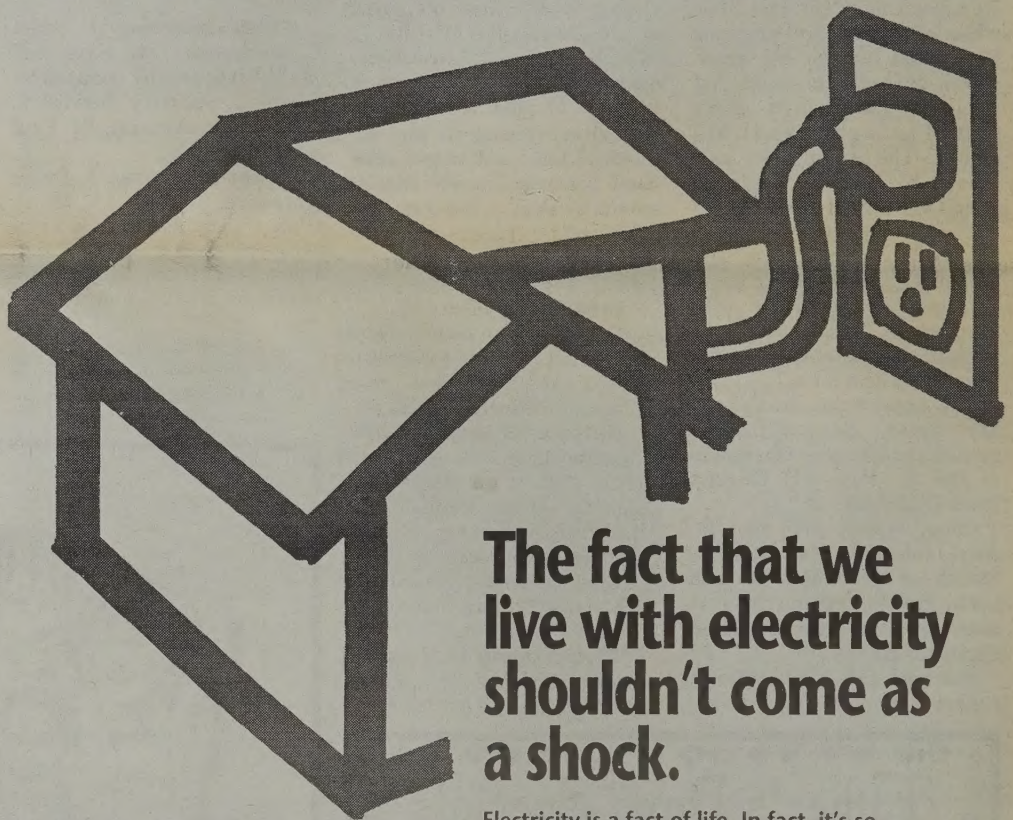

CRAFTY SENIORS - A variety of handicrafts created by the Heritage Lodge residents was displayed at their June 5 Open House, which also featured tours of the Lodge.

ART DISPLAYED - Paintings and Pen-and-Ink drawings by Barb Croteau, background, and a pencil sketch and paintings on sawblades and fieldstone by Helen Havener were among the artwork displayed at the Heritage Lodge Open House.

WHAT IS IT? - Steve Andrishak had the Grade Six students puzzled with the array of antique items in his "What Is It?" box at the luncheon hosted by the Pioneer Circle seniors.

The fact that we live with electricity shouldn't come as a shock.

Electricity is a fact of life. In fact, it's so much a part of everyday life that people forget the potential for accidents. Contact with overhead power lines or exposed wires can cause serious injury. Even faulty household appliances and electrical plugs can deliver enough current to kill an adult. Understanding how electricity works can keep you, and those close to you, safe. When it comes to electricity, what you don't know **can** hurt you. For more information on electrical safety, call your local Alberta Power office.

Pastor John McGregor was the evening's featured speaker, and used as his text, Psalm 37: 23 - 25, which says in part, "The steps of a good man are ordered by the Lord... I have been young and now I am old, but I have never seen the righteous forsaken or his seed begging bread." McGregor recalled watching Neil Armstrong's first steps on the moon, and his father saying "I never thought we'd get this far." Since then, McGregor says he, and the rest of the audience "have seen many things. Our collective memories would stretch around the world." He also noted that "we don't know what the future holds, but we do know Who holds the future."

MC Jim MacLellan felt that the community worship was a good way to start off this special week, and expressed the hope that this would become a tradition.

Elk Point Municipal Hospital had several activities for their long term patients during the week. Monday they took part in a wheelchair parade uptown with a stop for ice cream at Northbound 41. Wednesday saw patients and staff gather to try their prowess at spitting watermelon seeds. Mary McGilvery was the winning patient, but the distance mounted up as the staff got into the act. Distances increased to a point where competition was moved into the hall, with Lucille Suvak and Laurie Keichinger the front runners. However Me-

linda Ockerman calmly outdistanced them with a 26-foot-plus effort to walk away the winner. A Water Balloon Toss was scheduled for Friday, but no results have been made available to us at this point.

Wednesday noon saw the Grade 6 students of Elk Point Elementary School hiking down to the Seniors Recreation Centre, where the Pioneer Circle hosted them at a Pancake and Sausage Lunch. Each table had one or two seniors seated along with the students, and numerous stories of days gone by were enjoyed by the young people.

Pioneer Museum owner Steve Andrishak brought along his "What Is It?" box, and after lunch, explained to the students what each of the curiosities was used for, from a 1850 buffalo hide scale to foot-long porcupine quill from Africa. Giggles erupted as he told about the ladies' brass snuff box, and everyone jumped at the sound of a 1908 car horn.

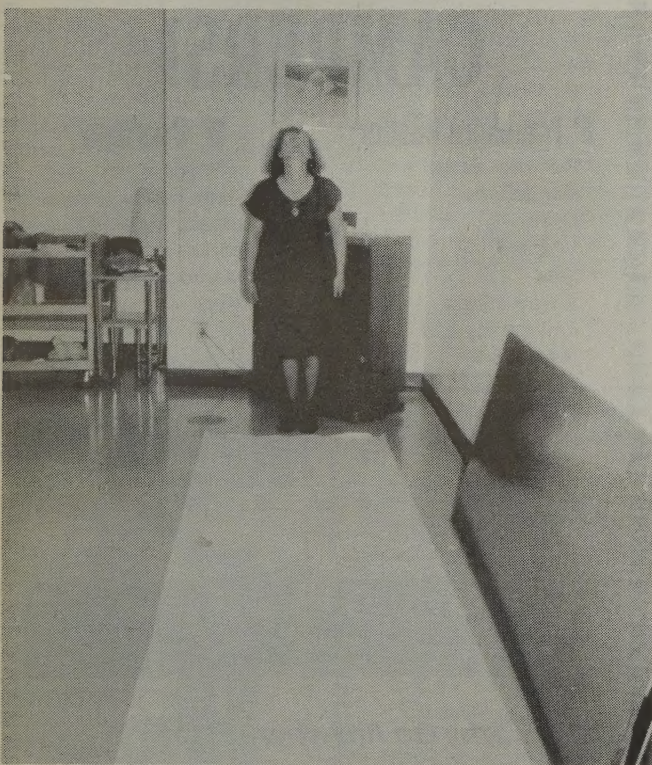

As students were ready to head back to the classroom, Pioneer Circle President Margaret Modin issued them a challenge for the coming years: to be the best Junior High class F. G. Miller High has ever had. Teacher Howard Meger presented Mrs. Modin with a gift of appreciation for hosting this unique event. Mrs. Modin later expressed thanks to all the seniors who helped with the lunch, and to Pastor Jim MacLellan, who helped haul in the extra grill.

SIXES AND SENIORS - Elk Point Elementary School's Grade 6 students and Pioneer Circle seniors enjoyed lunch and conversation when the latter group hosted a Seniors Week luncheon for the young people who are about to move up to Junior High.

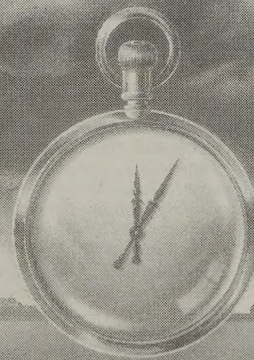

SINGING FOR THE SENIORS - Henry Botting offered a sacred song with accompaniment by Rick Peters on guitar and Franklin Wolters on harmonica at the Community Worship Service which started off Seniors Week in Elk Point.

SHOWING HOW IT'S DONE - Activities Coordinator Carolyn Onusko demonstrated the fine art of watermelon seed spitting at last Wednesday's hilarious contest at Elk Point Hospital.

Racette wins Jr. High County cup

It could be said that the 1994 St. Paul Athletic Association Junior High School Track and Field County Cup was a wide open affair Wednesday at Regional high school. That's because it wasn't until the two final events, the girls' and boys' 400-metre open relays that a champion was decided.

The Racette Raiders were able to win their sixth consecutive championship, finishing with 241 points, just six points ahead of the second-place Ecole Mallaig Stingers with 235 points. Glen Avon finished third with 185 points.

But going into the final two races, Mallaig led Racette by a 229 to 221 margin.

Racette was able to the meet at 231-231 as it earned 10 points by winning the girls' 4x400-metre relay. Mallaig picked up two points by finishing fourth.

Which meant it came down to the final race - the boys' 400-metre relay open.

And when the starters' gun took off, it gave Racette coach Gilles Gervais a scare. Not the bang, but the wide lead Mallaig built coming out of the blocks.

"I lost a few hairs when I saw that guy from Mallaig take off," Gervais said.

Racette was able to close the gap as the Raiders' Clint Leroux ran a particularly strong 400 metres during the third leg to put them within reach of Mallaig.

When Leroux passed the baton to Jamie John, John exploded, passing the Mallaig runner on the first turn.

"Jamie John was just psyched," Gervais said, "He ran a really strong race."

Racette went on to win the race in a time of 4:17.18 to win the championship.

Gervais had nothing but praise for Mallaig. "We have to give Mallaig a lot of credit, they were very strong," he said. "Especially in the field events."

Racette's Clinton Lapatack shattered the 1,500 B boys' record. Lapatack was clocked at 4:46.56. The previous record was 5:17.18. He won the race by 45 seconds. Lapatack also set a new 800 metres record. His time of 2:21.73 was nearly five seconds faster than the previous record of 2:26.02.

Other highlights include Joni Matthews winning gold medals in the A girls' triple jump, 400 metres, 200 metres, long jump and triple jump. She set records in the triple jump, 400 metres and 200 metres.

NEAT taking a worthy break

The North Eastern Alberta Track Club took a well deserved rest last weekend as they gear up for major meets in Red Deer and Kelowna. But that doesn't mean the athletes have been sitting on their heels, they turned in impressive performances at the Rocky Mountain Relays in Lethbridge, June 4-5 and the Leduc-St. Albert Club Challenge May 28-29.

The only thing Joni Matthews of Elk Point found rocky at the Rocky Mountain Games was the landing pit on the long jump.

The 15-year-old Matthews was able to overcome a bumpy runway at the pit and cold and windy conditions to win two gold medals in the senior women's division.

She won the triple jump with a leap of 10.86 metres. Her jump of 4.97 metres was also good enough for gold in the long jump. Though her jumps were well below her personal bests, she was pleased with her performance.

"You had to see the pit to believe it," she said. "There was one guy who is a national calibre jumper who usually jumps 15 to 16 metres and he only jumped 14.64."

Matthews did well on the track as well - winning the senior women's 400 metres in a time of 1:02.15 and the 200 metres in 26.45.

Clinton Lapatack continues to impress in his first year running with NEAT. Lapatack won the midget boys' 1,500 metres in a time of 4:41.71 and the 3,000 metres, clocking in at 10:17.

Results of NEAT athletes at the Leduc St. Albert Club Challenge May 28-29. Glen Cherniwan (midget boys) - javelin: gold, 38.31 metres; boys' shot put: gold, 10.70 metres; long jump: gold, 5.77 metres; high jump, bronze, 1.63 metre.

Joni Matthews (midget girls) - 200 metres, gold, 26.3 (personal best); 400

metres, gold, 60.9; long jump, gold, 5.28 metres.

Calvin Coulombe (open men) - 400 metres, silver, 54.4 (personal best).

Evan Jones (midget boys) - javelin, second, 37.14.

Roger Robert (peewee boys) - triathlon, first.

Alec Richard (peewee boys) - triathlon, second.

Dorielle Richard (peewee girls) - triathlon, third.

Louise Robert (bantam girls) - triathlon, second.

Michele Robert (midget girls) - 400 metres, 1:03.9 (personal best).

What's News at the Library

Check this out, all you mystery fans!

Michele Duczek
Librarian

The library is now accepting registrations for the Reading Rodeo, our summer reading program. Tune in this space next week for information on what Diane has planned for the program. Remember, there is a fee of \$1.00 per child to help offset expenses.

Sessions will run on Tuesdays for the older kids and Fridays for the younger.

There's some good news for Sue Gratton fans (and I know there are a lot of you out there). The library's collection of Kinsey Milhone mysteries has been completed with the arrival of "J" is for Judgment. We now have A through K. I'm looking forward

to L. This outing has Kinsey tracking down a dead man who is spotted by his insurance agent after the life insurance has been paid out. She also discovers family she didn't know she had.

New In Non-Fiction
The Complete Guide to Stress Management by Dr. Chandra Patel combines meditation exercises, biofeed-

back and yoga into a program designed to combat stress. She also goes into what causes stress in our lives today.

When a Hug Won't Fix the Hurt by Karen Dockrey is for all parents. It gives suggestions on how to help your children through crisis moments in their lives, be it physical or emotional. Dockrey writes from experience, one daughter had leukemia, the other has severe hearing loss. Included is a list of suggested books and products that may also help.

LIBRARY CALENDAR:

Friday, June 24 - FUN, FUN, FUN - Storytime will be holding a beach party before it breaks for the summer. Kids are asked to wear their bathing suits and bring a towel, a change of clothes and

any beach toys (beach balls, frisbees, etc.) A word to parents: If the weather is nice, the party will be held outside and water will be involved.

DID YOU KNOW: The Watergate scandal began 22 years ago this week when, on June 17, 1972, police arrested 5 men for breaking into the Democratic Party's national headquarters.

NPCA coming to Dewberry this weekend

The Northern Professional Chuckwagon Association will be bringing their exciting action to Dewberry this coming weekend, June 18 and 19, for the always popular annual race meet. Races start at 7 p.m. Saturday and 2 p.m. Sun-

day. Between 45 and 50 wagons are expected to compete in 15 to 18 heats.

Chuckwagon fans from the Dewberry area will no doubt be setting their sights on yet another win for local driver Buddy Bensmiller. Bensmiller is off to a great start this season, placing second in the year's first race meet at Vermilion, and winning both first and second at Saddle Lake on the June 4 and 5 weekend. Brian Laboucane of St. Walburg, SK was third over the two days at Saddle Lake, with Ray Croteau, winner of the Vermilion show, coming in fourth.

Bensmiller took top billing again this past weekend at Coronataion, with a total two day time of 2:12.78, almost two full seconds faster than second place Stan Waddel. Ross Knight placed third. Ray Croteau slipped badly in the standings with serious difficulties in Saturday night's run, which could not be overcome with the second best running time on Sunday.

Other NPCA news to date saw Ray Mitsuing of Loon Lake winning top honors at Melfort, SK on the June 4 and 5 weekend, edging out hometown driver Wayne Daggy by 18 / 100 of a second over the

two days. Another Melfort driver, Dennis McGillivray, was another 9 / 100 behind in third place.

This past weekend saw Brian Laboucane placing first at the James Smith Reserve meet, defeating Ray Mitsuing by a full half second. Laboucane also drove the third place wagon.

Dewberry is one of the largest race meets on the NPCA circuit, and will feature many of the NPCA wagons which will soon be competing at the Calgary Stampede. Make sure to come out and cheer on your favorites.
